PROFILE

As a dedicated and enthusiastic individual, I am committed to continuous learning and making meaningful contributions to the organization's success while fostering personal growth.

TECHNICAL SKILLS

Languages: HTML, CSS, Javascript, Typescript, Java
Frameworks: React, Node JS, Express JS, Next JS, Tailwind CSS
Database : MongoDb, Firebase
Development Tools: Git, VS Code, Postman

EXPERIANCE

Web developer Intern - Codesoft   Apr 2024 - May 2024

Designed and implemented an admin dashboard utilizing React and Tailwind CSS. Collaborated with team members to troubleshoot and optimize performance. Implemented dynamic data visualization features to present analytics and insights.

Next js developer Intern - Zidio Development   May 2024 - Jun 2024

Developed a resume builder application using the MERN stack, focusing on frontend development with React and Tailwind CSS. Integrated MongoDB and Node.js for backend functionality, ensuring scalability and performance. Collaborated with a team to deliver a user-friendly application meeting project requirements effectively.

PROJECTS

Mechanic Shop Finder 🔗 | *React, Nodejs , Expressjs. Mongodb, Redux toolkit* Sep 2023 - Dec 2023

Developed a user-friendly interface with React JS and Tailwind CSS. Utilized the MERN stack for robust application development and Redux Toolkit for state management. Implemented admin and shop dashboards for efficient oversight and management of service requests, billing, and payments.

Quick File Share 🔗 | *Nextjs, Firebase/Cloud , Tailwincd CSS*   Mar 2024 - Apr 2024

Built a file sharing application with Next.js and Firebase/Cloud for lightning-fast file uploads and downloads. Utilized Shadcn/UI for a sleek and intuitive design, ensuring straightforward and accessible file sharing. Designed for speed and simplicity, enabling seamless file sharing without the need for authentication or login requirements.

URL shortner 🔗 | *React, Nodejs , Expressjs, Mongodb*   Jan 2024 - Feb 2024

Engineered a customizable platform for URL shortening using MongoDB, Express.js, React.js, and Node.js. Emphasized user-friendliness through intuitive design choices to elevate overall user experience. Implemented features allowing users to personalize shortened URLs with specific keywords, enhancing engagement and usability.

Quick Mart 🔗 | *React, Nodejs , Expressjs, Mongodb, Cloudinary, Razorpay*   Dec 2023 - Jan 2024

Developed a robust e-commerce platform using the MERN stack, enhancing payment capabilities and optimizing media storage with Cloudinary. Implemented advanced search and filtering functionalities to enable intuitive product discovery based on categories, pricing, and specifications, ensuring a seamless shopping experience for users.

EDUCATION

Bachelors in Computer Application (BCA)   2020 - 2023
Sacred Heart College, Madanthyar   Karnataka, India

Masters in Computer Application (MCA)   2023 - 2025
Srinivas Institute of Technology, Mangalore   Karnataka, India
